Nigel Smith
Sales Director
Iseki Vacuum Systems Ltd
High March
Daventry
Northamptonshire
NN11 4QE

Dear Sir,

I can confirm that Iseki Vacuum Systems Ltd have provided all necessary technical interface, fabricated components (valves, vacuum interface chambers, etc.) and commissioning services for the following first-time vacuum sewerage projects constructed using HPPe pipe in the past five years:

Saracens Head & Holbeach Bank, nr Holbeach, Lincolnshire – 7.6km of HPPe vacuum sewers and 164nr valves – completed

Barroway Drove, nr Downham Market, Norfolk – 5.9km of HPPe vacuum sewers and 101nr valves – completed

Stratton Strawless, nr Aylsham, Norfolk - 3.4km of HPPe vacuum sewers and 53nr valves – completed

Greatford, nr Market Deeping, Lincolnshire – 1.6km of HPPe vacuum sewers and 40nr valves - completed

Ormesby St. Michael, nr Great Yarmouth, Norfolk – 2.5km of HPPe vacuum sewers and 55nr valves - completed

Stokesby, nr Great Yarmouth, Norfolk – 1.1km of HPPe vacuum sewers and 40nr valves – under construction

Neatishead, nr Wroxham, Norfolk – 3.5km of HPPe vacuum sewers and 76nr valves – under construction

East Ruston, nr North Walsham, Norfolk – 8.0km of HPPe vacuum sewers and 84nr valves – under construction

All components provided by Iseki were provided within delivery deadlines and were 'fit for purpose', interface regarding technical advice was both prompt and detailed with commissioning and handover being undertaken effectively within programmed dates.

We have successfully delivered a significant number of vacuum sewerage projects using Iseki Vacuum Systems Ltd and I would have no reservations regarding their capabilities in respect to their components and support activities.

Yours faithfully

Chris Smith
Construction Director
